

Water and Sewer Tap Fees Schedule

Tapping fees for water utility users:

Tapping fees for water taps, including the installation of a meter of appropriate size, shall be paid by the customer. Tapping fees shall be charged as specified below:

¾" Tap	\$ 800.00
1" Tap	1,000.00
2" Tap	1,000.00 + materials / labor
4" Tap	1,000.00 + materials / labor

Taps of sizes larger than listed above shall be determined depending on size, location and other relevant costs.

Tapping fees for wastewater utility users:

The tapping fees for sewer taps of appropriate size, as determined by the Director of Public Works, shall be paid by the customer. Tapping fees shall be charged as specified below:

4" Tap	\$500.00
6" Tap	700.00

Taps of sizes larger than those listed above shall be determined depending on size, location and other relevant costs.
